Mission

Our mission is to be one the top telecom- industry leaders within 2015 and serving our global customers with highly innovative telephony solutions.

Description

Manor Telecom is one of the proud industry leaders focused on International Wholesale and Retail Voice Terminations, Corporate IP-Telephony Services, MVNO Mobile Services and been one of the most powerful thought leaders in the industry of Telecommunications.

Currently originating retail voice traffic from 40+ countries in the world with more than 200 direct interconnections across.

Our best in class technical expertise has always been a key blessing to let ourselves expanded globally and rapidly. Manor Telecom is one of the most reliable names in the carrier voice industry through our highly redundant telecom services and quality customer services to our valued partner-customers across the board.

Our ethical view is to look after the customers requirements with the top-most priority set and we always believe that what matters to our customers, indeed matters to us.

Manor Telecom is one the pioneers to get in touch with the global ethnic communities and always been more than happy to take the corporate social responsibilities regardless any geographical entities which include lot of fund raising and charity projects that have been leading by us. We always love to be part of the global Ethnic Community and indeed would be keen to look into opportunities to keep this momentum going forward.
